

**Boil Water Notice Rescinded**  
**February 13, 2026**

On February 11, 2026, the Texas Commission on Environmental Quality required the Pritchett Water Supply Corporation, public water system TX2300012, to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of February 13, 2026.

If you have questions concerning this matter, you may contact Kyle Hathcock at 903-734-5438, 3670 State Hwy 155 S, Gilmer, TX 75645. You may also view this notice on our website ***[www.pritchettwater.com](http://www.pritchettwater.com)***

If a customer, individual or employee wishes to contact the Executive Director of the TCEQ, please call (512)239-4691.
